

The Stories that Connect Us

LEADERSHIP LANCASTER

My Story.....

Leadership Lancaster's Story.....

May 2, 1981

Junior League of Lancaster voted to begin a 2-year project on volunteerism with a goal to develop a project to stimulate the community to volunteer, develop a name bank for board placement.

1981-83

A significant outcome of this initiative was 'Leadership Lancaster'. The development of LL was turned over to a project team.

January 13, 1983

The first meeting of the Leadership Lancaster project team was held. The goal of the project was simple: "Find and train people to work effectively as volunteers."

The program was embraced by Chamber President Dick Blouse; and the Lancaster Chamber joined the Junior League as a sponsor.

May, 1983

The Project Team was formalized into the first Leadership Lancaster Board of Directors, led by John Synodinos, Chairman.

1990

Executive Orientation Series began as a pilot program for Ford New Holland.

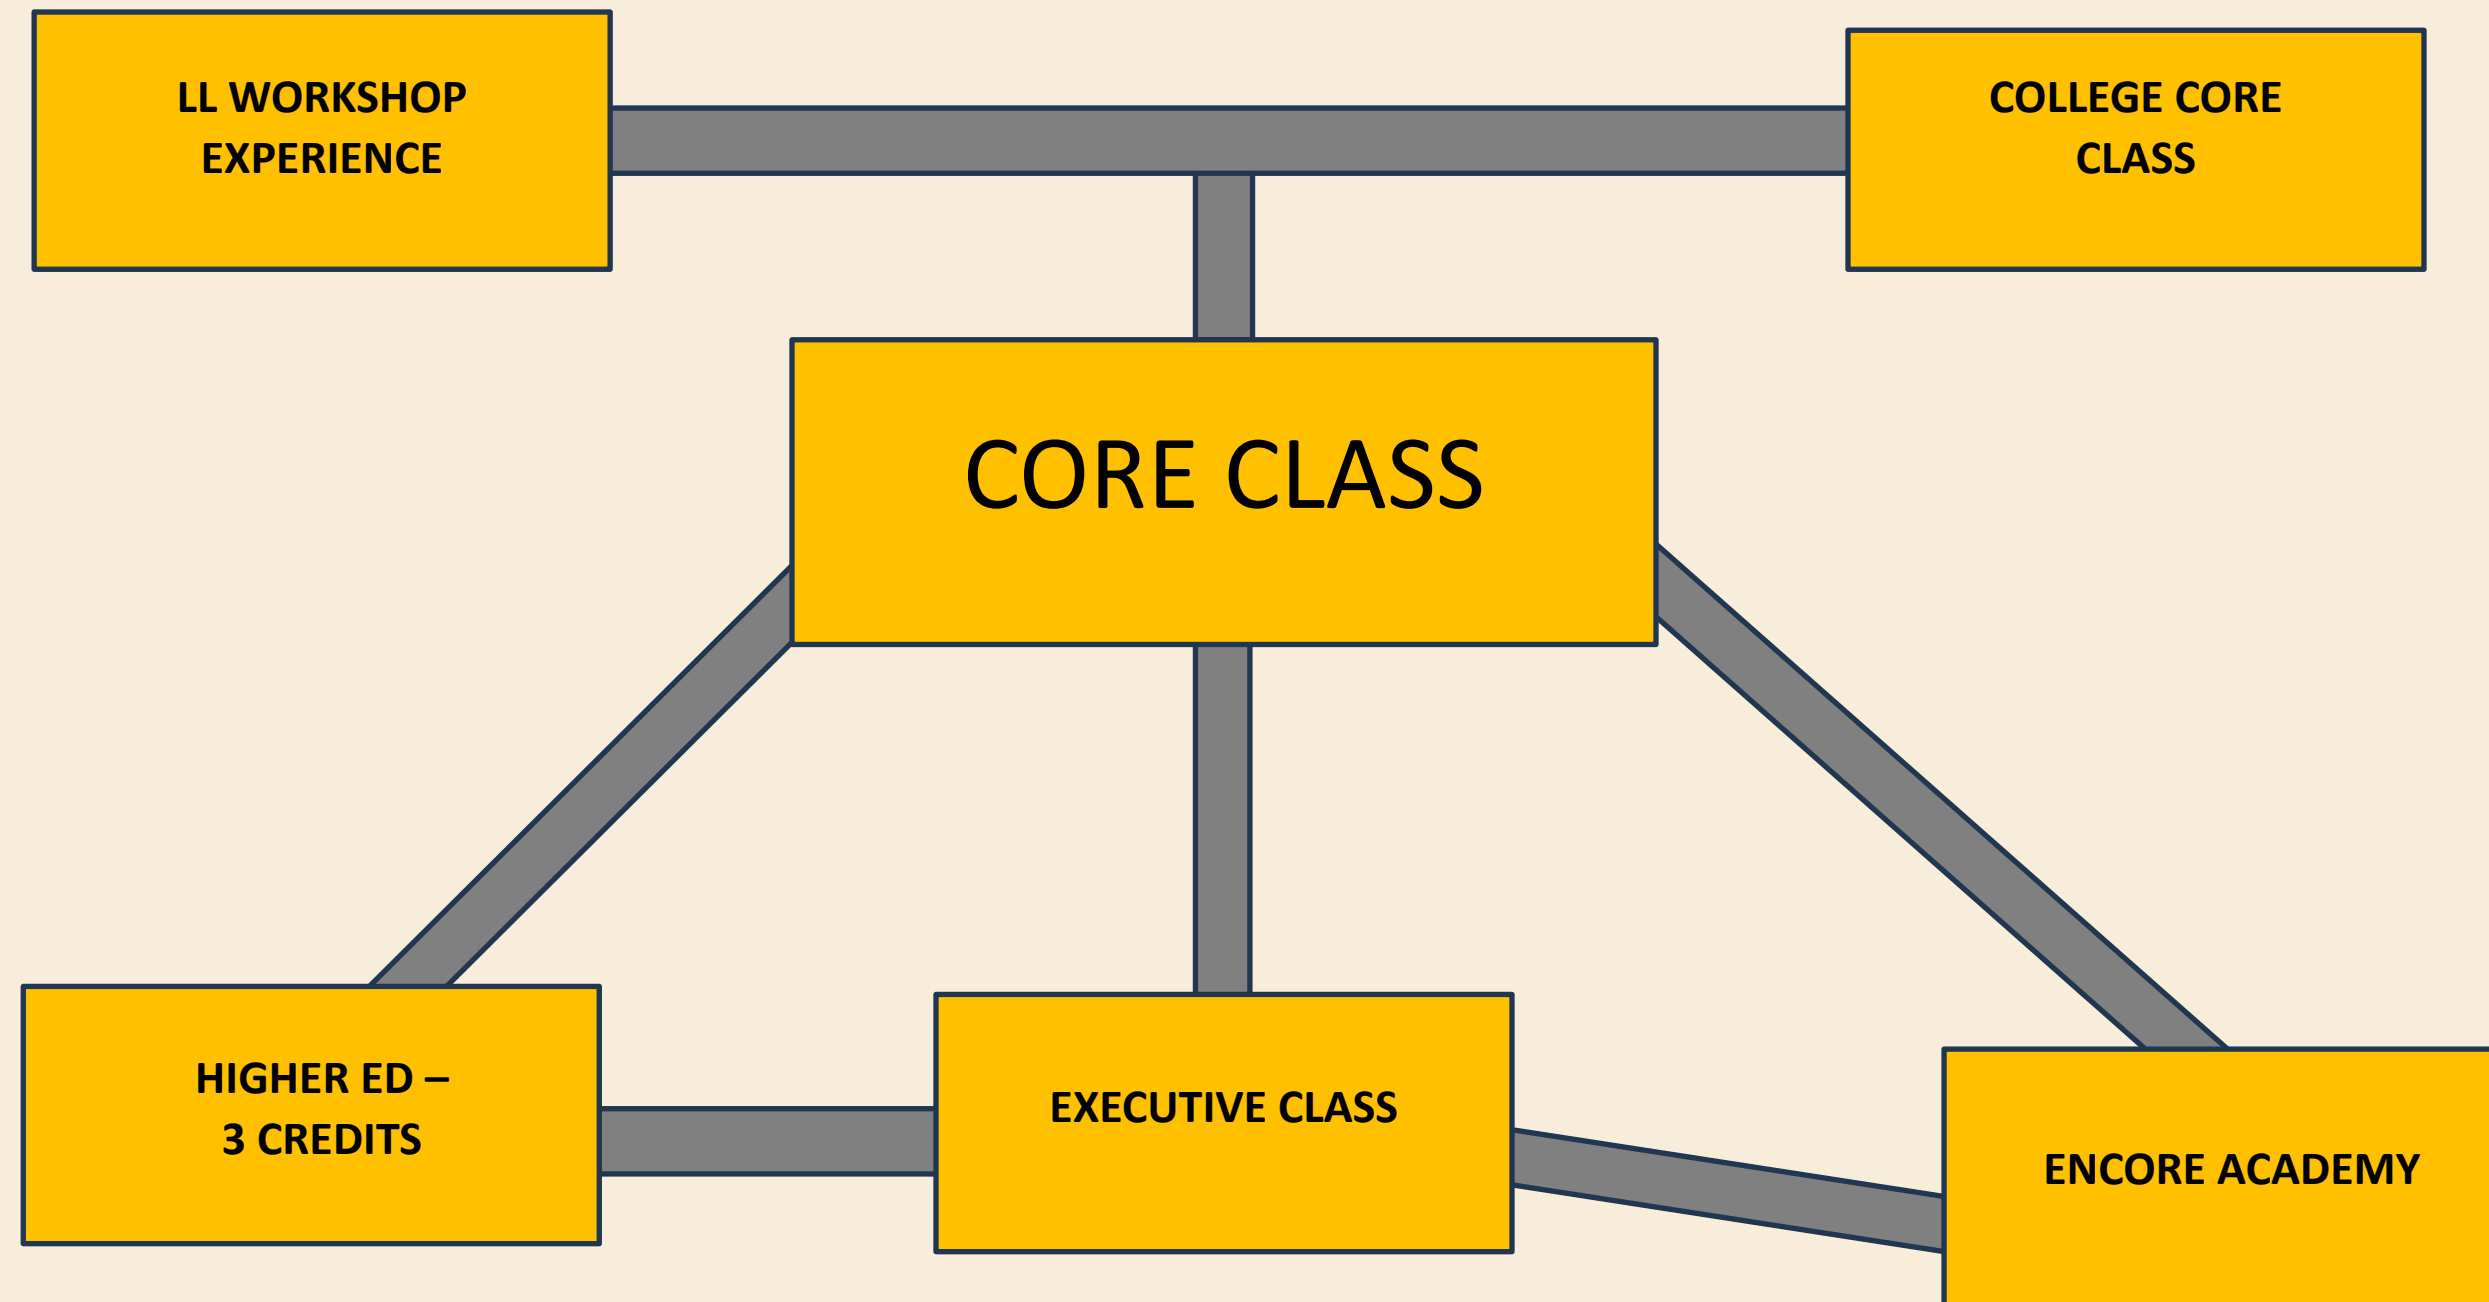

2018

The College Core Class in collaboration with Thaddeus Stevens College launched and continues annually.

2022

Leadership Lancaster obtained it's independent 501c3 status.
